International Conference

Migration • Minorities • School • Teacher Education
Learning Community • Connectivistic Learning

Stuttgart, Germany
18 - 19 February 2016

<http://www.leacomm.eu>

Target groups

- VET Schools (Teachers, School managers, Students)
- Ministry of Education
- Parents

4400 students enroll in VET schools and only %48 of them get the diploma!!!

- The rate is similar in the rest of Turkey
- The key sentence to attract the public interest on topic as well as the target group
- Changing the perception of people
- Public interest

Bornova District National Education Directorate is the **pilot town** to implement STAY IN Project.

Considerable reduce in drop out rates in VET schools.

At the beginning of last academic year (2014-2015) in Bornova district drop out rate of VET students **was %48**.

At the end end of academic year the dropout rate reduced significantly and there is different of **%12**.

Which means the drop out rate in Bornova VET schools (11 Schools) is reduced to **%36** and it is going to be lover next academic year.

This project has been funded with support from the European Commission. This publication (communication) reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein. PROJECT NUMBER – LLP-LDV-TOI-13-AT-0010

Testing of modules

23 teachers, 24 hours of face to face training, 10 hours of self training

1. Communication (Classroom management, disciplinary issues)
2. External support and cooperation (how to increase school resources)
3. Increasing creativity (No)
4. Business plan (No)
